Commander Bob Means

I'm hoping all who celebrated Christmas enjoyed the spirit and meaning of the holiday.

We have our permit issued for the Hall restroom project and contractor in place. Thanks to all who have spent so much of their time to bring us so far. See Page 3 for the sketch of the remodeling. Both restrooms will be updated and we will add an ADA compliant restroom.

On Sunday, Dec. 21st. Tom Beck assembled a crew to demo our aging cabinets, computer and A/V area in the Club Room. No easy task but done well. Third Vice C.J. Carrillo will be leading the paint crew prior to installation of new cabinetry on Jan. 7, 2015.

So far we've remained safe from flooding from the adjacent creek. It has caused problems during some of the worst weather we've experienced. At my request, the City did a nice job of cutting down excessive brush in said creek before the worst of the storms. I think we're all relieved to have the rain but moderation sets me more at ease.

Wishing our members and families all the best in 2015.

First Vice Commander Tom Beck

As 2014 ends, we look forward to a great 2015! For our Post, 2015 will first see a major job completed for our Clubroom on January 7th. California Closets will be installing new cabinets on the back wall. This is a huge improvement from what we have had back there for many years. Furgus Wilson has worked hard to get this set up and it will be completed in just a few weeks. Please come by for one of our coffee days and take a look. Also, in March the Hall will be shut down for business and the restrooms will go through a major and long over due remodel. We have blocked off two months for this project. This project has been in the works for almost a year and a half and will be complete in May. Bob Means has been the driver here, and I can say with confidence that we would not be at this point without him.

Also, we are standing up a fundraising committee for 2015. There is much deferred maintenance on our building. We need a shot in the arm financially to tackle some major projects that are staring us in the face. Stay tuned as 2015 will be a big year for 313.

My door is always open.

Auxiliary President Elena Bartley

Post Everlasting

As many of you know, long time Board Member and "go to guy" Jack Dennis passed away on November 30th.

A very nice Celebration of Jack's life was held at McInnis Golf Club and several members of your Post attended. Jack was our past Insurance Administrator and along with side kick Cecil Green, represented the Post at many of our events.

Thanks Jack for helping your Post continue our mission. Thank you for your WWII service and you are now in very good company with many of the Greatest Generation who have gone before you.

All members now serving in Post Everlasting for 2014, Rest in Peace
